...: About us ...

We introduce ourselves as one of the leading Exporter of Stainless Steel, Carbon Steel, Alloy Steel, Pipes and Pipe Fittings & other Non Ferrous Metals Being focused on rapid market penetration, we strive for the front runner position in all our markets and business segments by offering highest quality products to our clients all across the globe.

The Angel Steel Industries has drawn together under the one roof of the total spectrum of trading, stockholding and processing activities in Stainless Steel, Carbon Steel, nickel Alloy, Alloy Steel, Copper, Brass, Monel, Inconel, Aluminium, Hastalloy, Lead in the shape of Pipes, Tubes, Rods, Sheets, Plates, Wires, Angles, Coils, Strips and the entire range of Pipes Fittings such as BW/ SW/ Screwed/ Forged & Compression Type with Ferrules such as Elbow, Tees, Reducers, Stub ends, Flanges, Unions, Caps, Nipples, Couplings, Elbowlets, Sockolets, Weldolets, Nuts, Bolts, Studs, Washers etc.

Right product for the right requirement at the right price, i.e. rather than a mere supplier of the product we take utmost efforts in understanding the client's requirement, identifying the right product at the right price. This has resulted in close ties with major customers within India & World-wide.

We have already exported to countries like Kuwait, Saudi Arabia, Oman, Brazil, and Middle - East, South Africa, Argentina, European Countries, Bangkok, and South Asia etc. To meet the requirements of its clients it has always vouched for supplying materials of high quality and standards at competitive price range.

We look for your regular enquiries for your products and we are sure we can fulfill every requirement of yours.

## ...: Quality :...

Quality is our prime concern. We are able to maintain high quality standards through our committed personnel and sound infrastructure. We ensure that finest quality material is used for our products. For ensure the quality of each material, we are providing Materials Test Certificate along with supply. Our team of experts maintain a vigil on the quality of the products. Every single piece is attached with test certificates and reports. We are continually improving our quality to serve our clients better.

### ...: Quality Objectives : ...

We consider three elements to be essential for the overall quality of the company services :

- Independence & Objectivity.
- Technical & Scientific Quality.
- Practical Benefits to Clients.

### ...: Our Excellence : ...

Quality is our prime aim. We are able to maintain high quality standards through our committed personnel and sound infrastructure. We ensure that finest quality material is used for our products. For ensure the quality of each material, we are providing Materials Test Certificate along with supply. Our teams of experts maintain a vigil on the quality of the products. Every single piece is attached with test certificates and reports. We are continually improving our quality to serve our clients better.

### ...: Quality Control : ...

We exercise stringent quality control measures for ensuring the accurate dimensions and mechanical properties of our products. Our quality assurance system assures each product to pass through following processes and quality systems :

- Certification and Supplementary Test
- Finishing and Marketing.
- The impeccable quality standards of our product range as well as services have contributed immensely to the success of our company.
- Material Control System
- Machining and Dimensional Control
- Process Control System

### ...: Principles : ...

- We strive to be the best qualities and technologies in our industry.
- We care about our client's time and money.
- We do our absolute best to honor our words and client faith on us.
- We strive to always act with integrity and commitments.

### ...: Our Quality Standards : ...

The bitterness of poor quality remains long after low pricing is forgotten. So, we follow strong measure of quality checking. Understanding Customers requirement and ensuring to supply as per these requirements is realized with the help of Quality Assurance and Quality Control. Across the entire business chain of supplies, operations and marketing appropriate quality assurance systems are in place to ensure correctness at each step of the cycle.

In our philosophy, quality is not only the durability and defect free nature of product but its utility and applicability to satisfy the sole purpose for which it was bought. Thus, we are committed to produce products, which can satisfy different requirements and purposes. We have adopted stringent quality control measures to ensure superior quality and zero defects products. Quality is checked at different stages of production and supply and the raw material we use is sourced only from reliable and established vendors

## ...: PRODUCT RANGE :...

### ...: PIPES/TUBES : ...

Supplier of a wide range of seamless and welded pipes in all grades - carbon steel, alloy steel, stainless steel, duplex, super duplex and higher alloys in sizes from 1/8" to 120" NPS.

PIPE MATERIAL	PIPE TYPE	GRADE	SIZE
CARBON STEEL	SEAMLESS	API 5L-B, X42, X52, X60, X65, X70, X80 A106/A53-B A106-GrA, GrC A333-Gr3, Gr6	1/4"- 24"
	WELDED	API5L-B, X42, X52, X60,X65,X70,X80 A53-B A671-CC60, CC65 A672-CC60, CC65	2"-120"
ALLOY STEEL	SEAMLESS	A335P1,P11,P12,P22,P5,P9,P91,P92	1/2"- 24"
	WELDED	A691-1CR, 1 1/4CR, 2 1/4CR, 5CR,9CR,91	2"-120"
STAINLESS STEEL	SEAMLESS	A312-TP304/304L, TP316/316L,TP321, TP321H, TP347, TP347H UNS S31803, UNS S32750 A790	3/8"- 24"
	WELDED	A312/A358-TP304/304L, TP316/316L A312-TP321,TP321H,TP347, TP347H UNS S31803, UNS S32750 A790	2"- 80"

### ...: FLANGES : ...

Supplier of a wide range of ASME flanges in class150 to 2500 and API flanges in class 2000 to 20000. Flanges such as swivel, orifice assembly, anchor and long weld-neck flanges in standard dimensions can also be supplied.

FLANGE MATERIAL	GRADE	SIZE
CARBON STEEL	A105N A350-LF2 A694-F42, F52, F60, F65	1/4"- 72"
	A70- L3 CL3, L5 CL3	12"- 48"
ALLOY STEEL	F1, F11, F12, F22, F5, F91, F92	1/2"- 48"
STAINLESS STEEL	F304/304L, F316/316L	1/2"- 60"
	F50, F51, F52, F53, F54, F55, F57, F60, F61	1/2"- 24"
